INTERN SIDE

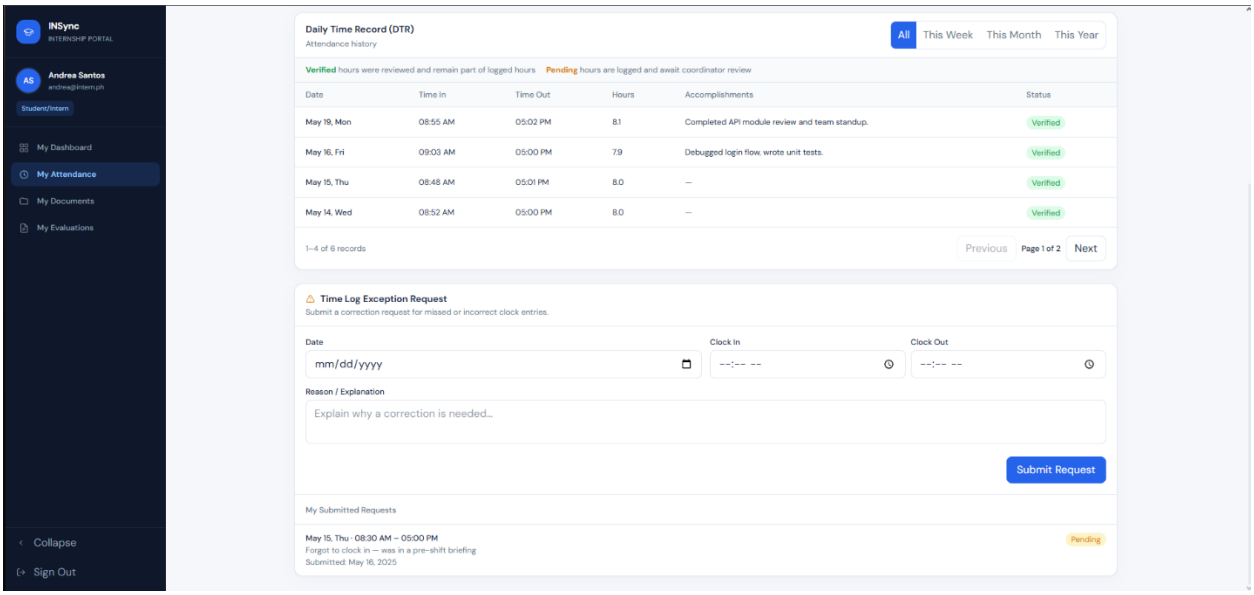

INTERN DASHBOARD – Design wise okay ako dito, though hindi ko sure if okay ba na andoon yung ‘Today’s Attendance’. Up to you if anong mas better.

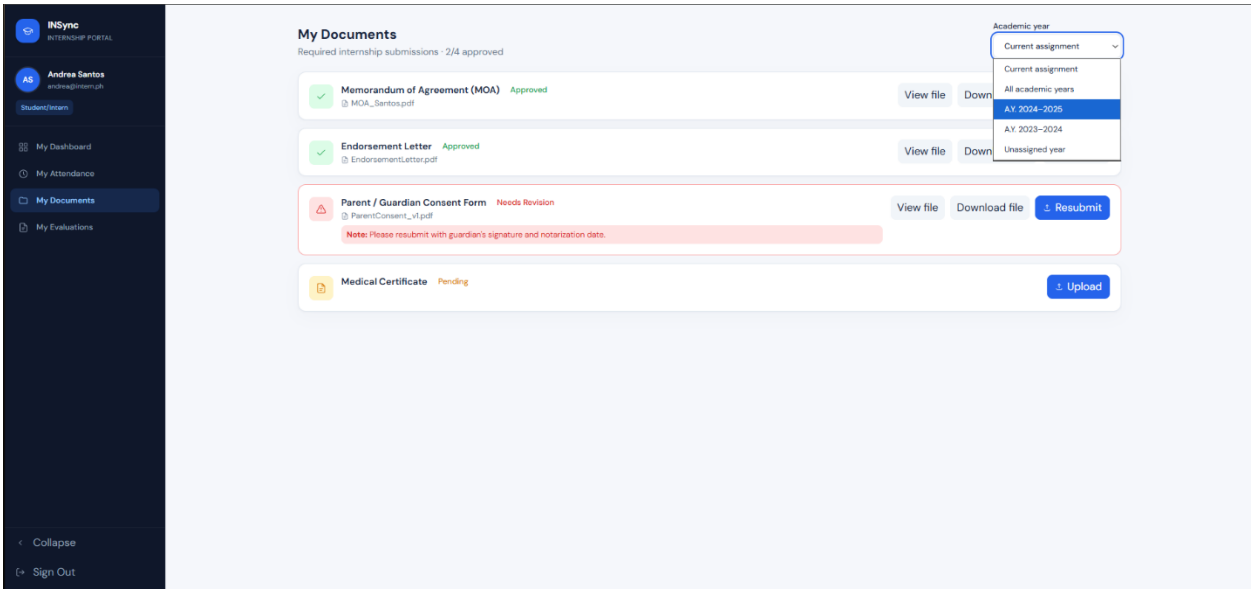

BTW; Naka minimize pala to 80% yung web sa lahat nang screenshots na nandito for better view:)

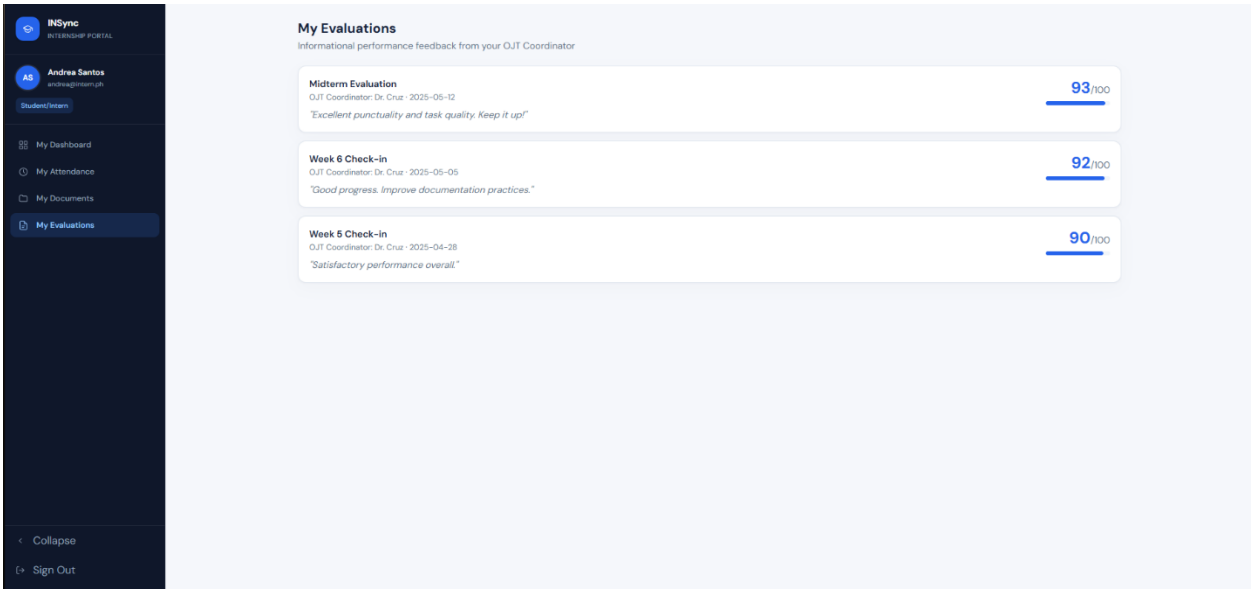

INTERN ATTENDANCE – Okay din naman ako dito, pero if may suggestions ka go lang!

Same here, suggestions are open!

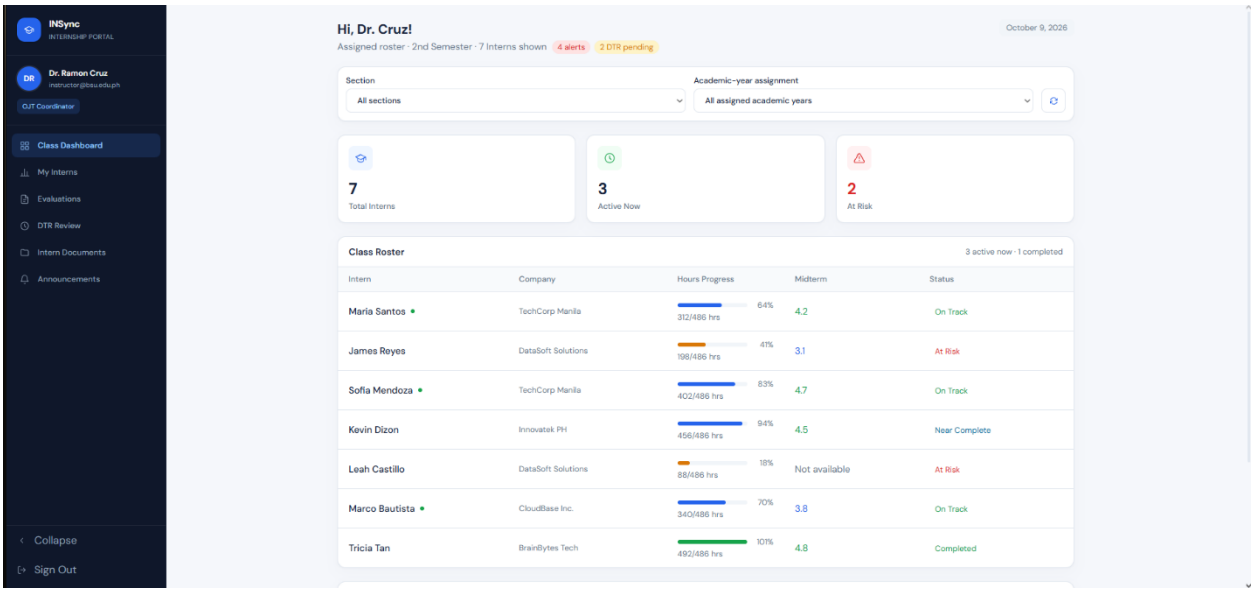

INTERN DOCUMENTS – Unsure ako dito, since hindi ko alam kung ano ano yung mga documents na need isubmit. Siguro gawin na lang na wala nang specific type of document, rektang submit na lang ng needs. Or if may suggestions/ideas ka na for the better, go lang.

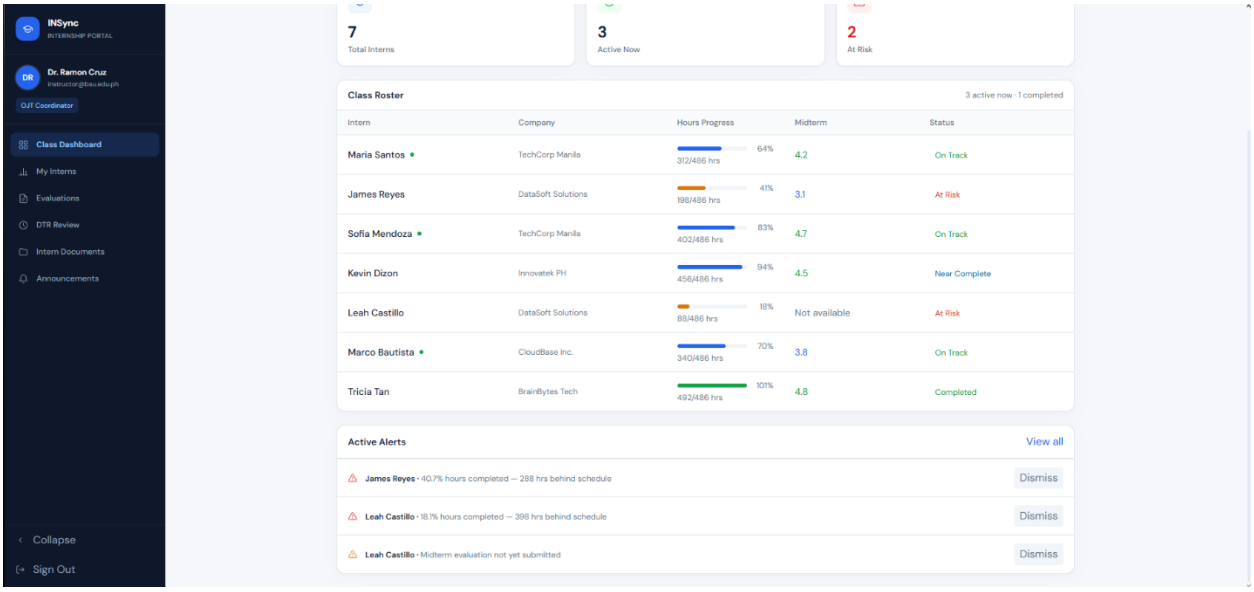

INTERN EVALUATIONS – Siguro lagyan na lang ng filter by date (weekly, monthly ganern).

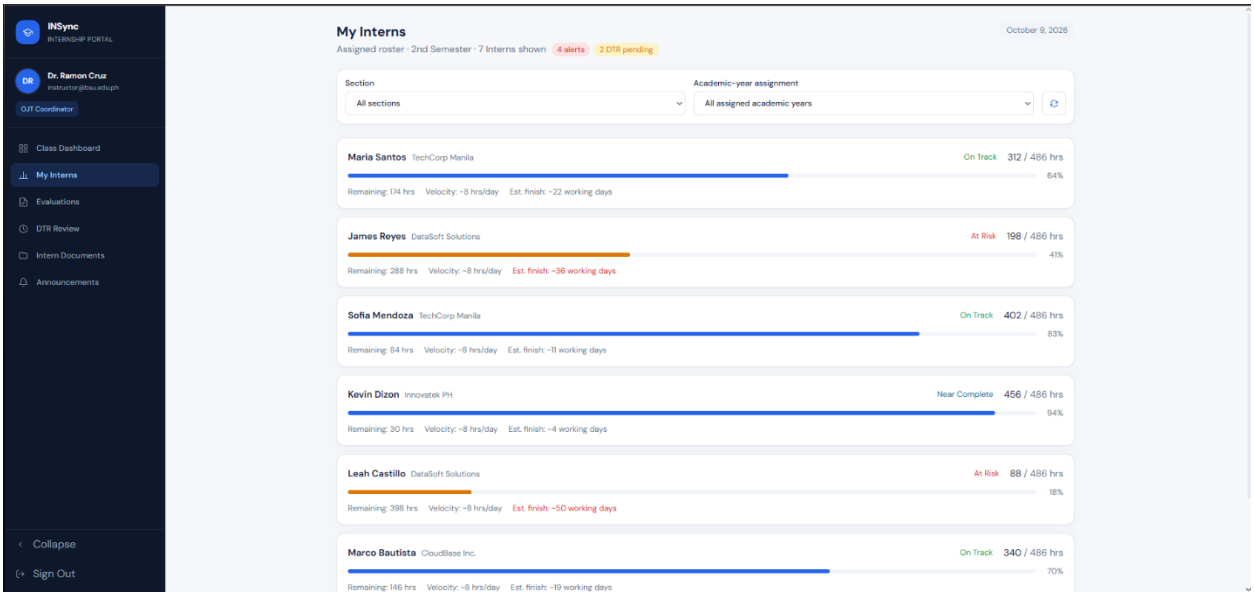

INSTRUCTOR SIDE

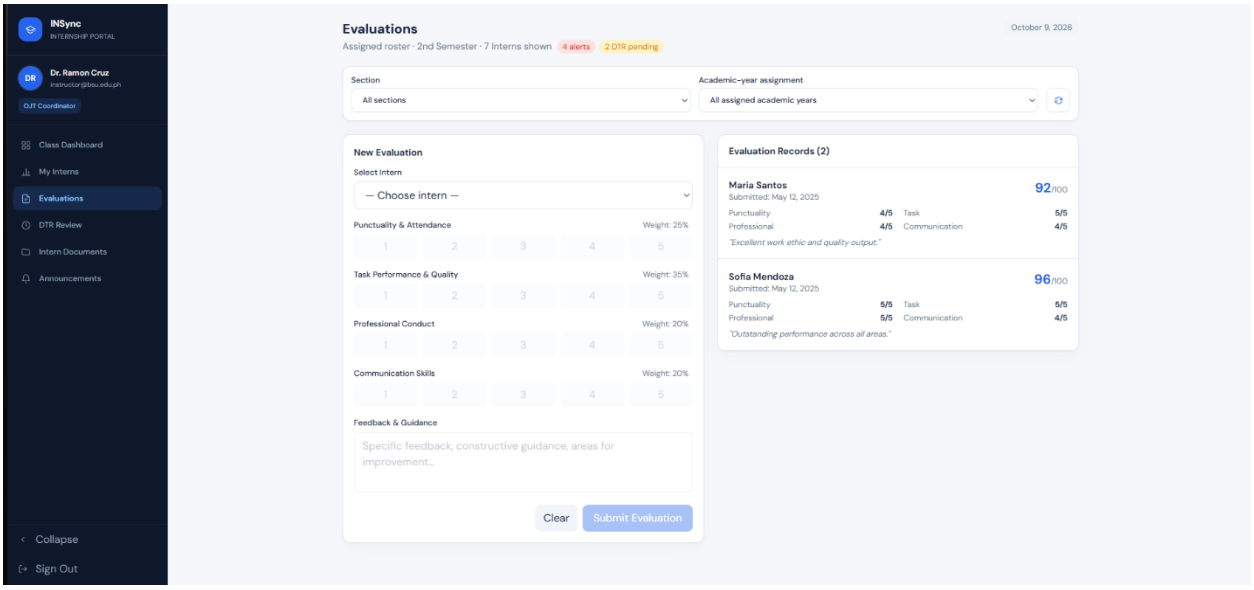

INSTRUCTOR DASHBOARRD 1 – Siguro ano, gawing organized yung ‘Class Roster’ since for sure malaki ang volume of students. Up to you kung ano ang magandang gawin diyan.

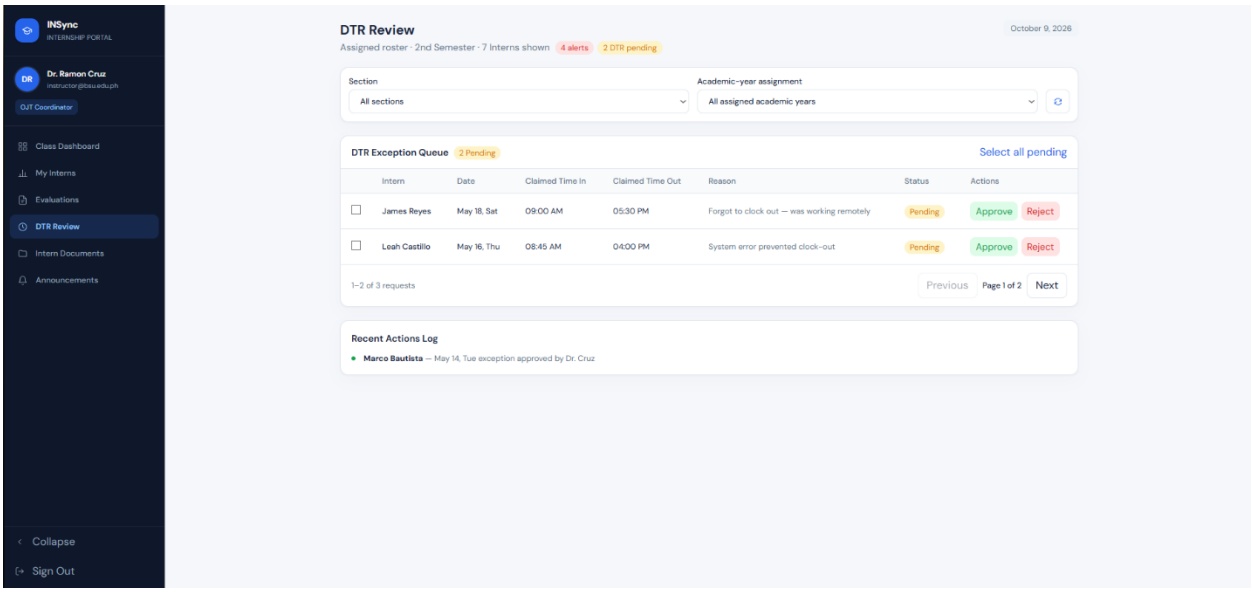

INSTRUCTOR DASHBOARD 2 (KATULOY) – Yung students lang na at risk or may need na isubmit pa etc. yung andiyan. Okay lang if maremove yan or not.

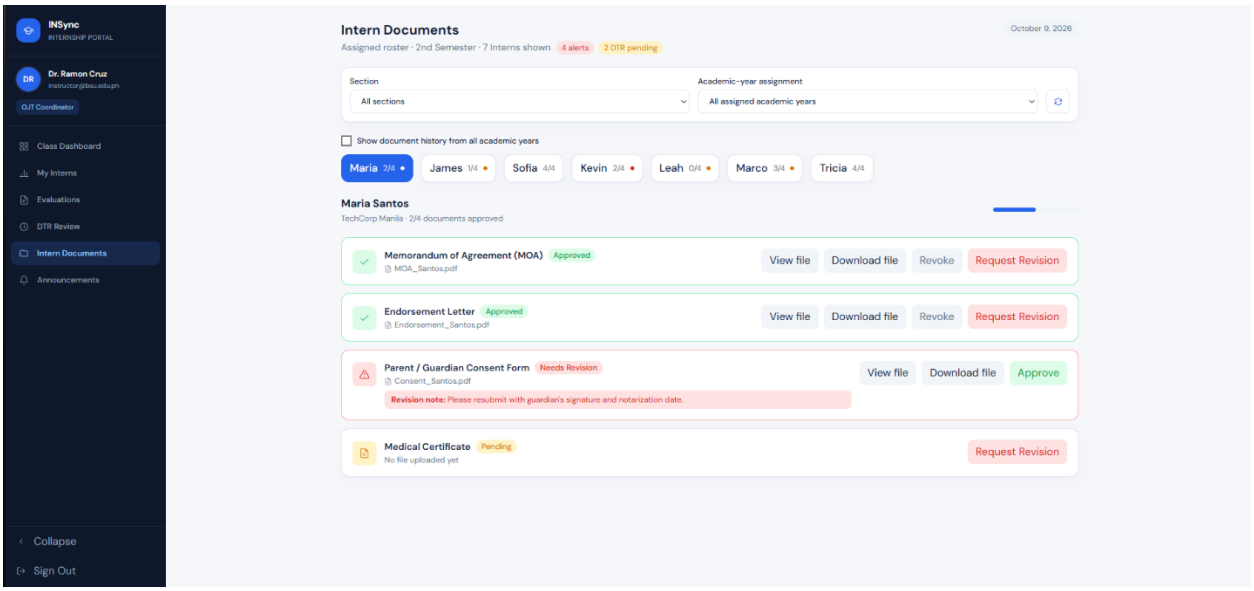

INSTRUCTOR CLASS ROSTER – Siguro revise lang ito ng konti. Like hindi necessary na magscroll ka hanggang sa baba if naka select yung ‘All Sections’ & ‘All assigned academic years’ chuchu, idk if gets moa ko hahahaha. Pero yeah, if may better kang idea, go lang haha

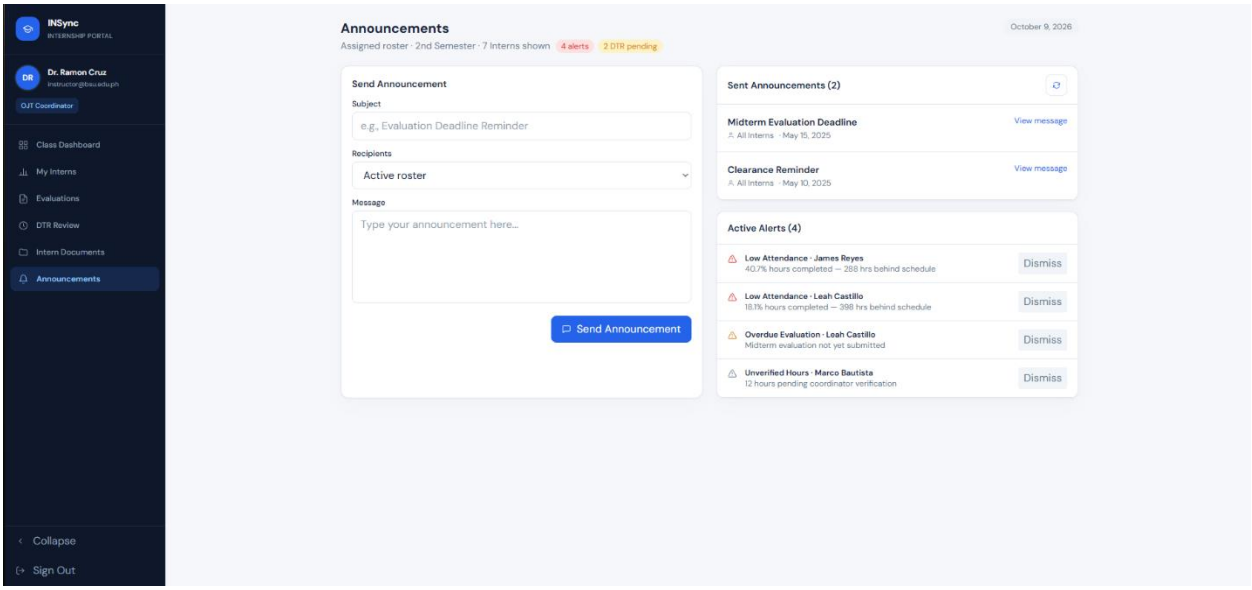

INSTRUCTOR EVALUATIONS – Okay naman ako dito, yung ‘Assigned academic years’ lang, parang hindi naman yan necessary since meron naman na yung sections selection.

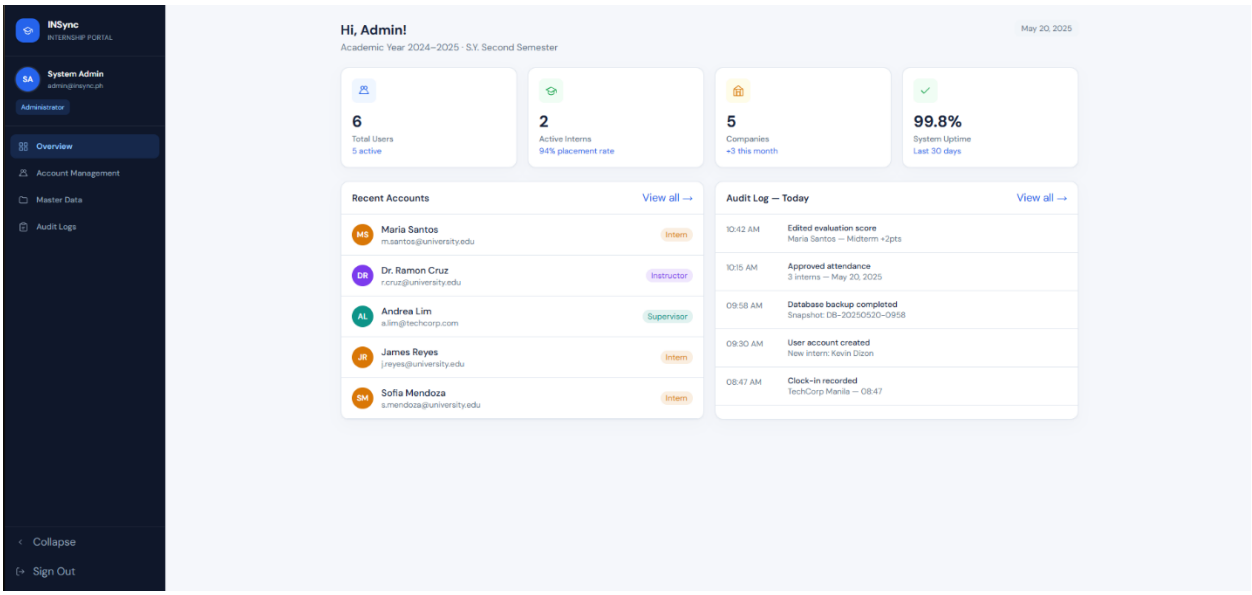

INSTRUCTOR DTR – same same, yung academic years chuchu lang ako concerned here

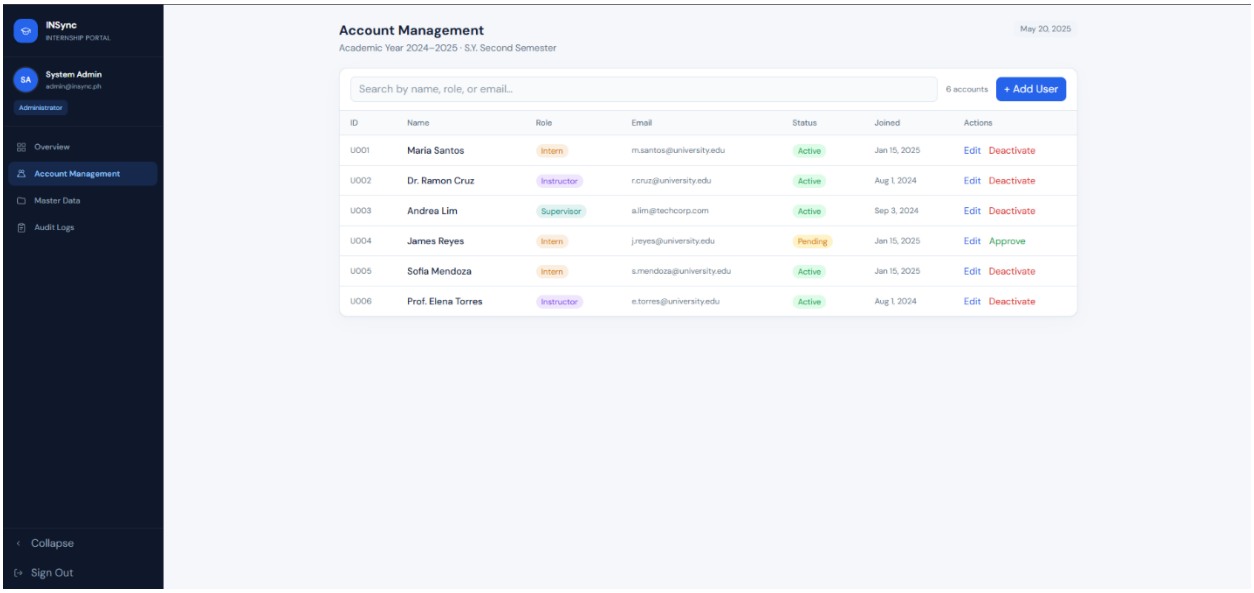

INSTRUCTOR DOCUMENTS – same sa Intern Documents Side & yung assigned academic years chuchu. Since hindi ko alam yung documents na need isubmit, siguro gawin na lang natin na multiple files/documents na lang yung pwedeng isend ni Intern > then ireview ni Instructor and if may revisions na need, siguro ilagay niya lang niya sa description tab yung kailangan. Like if we go 'request revision' need muna idescribe ni Instructor yung need. Again, if may better ka na idea, go hahah!

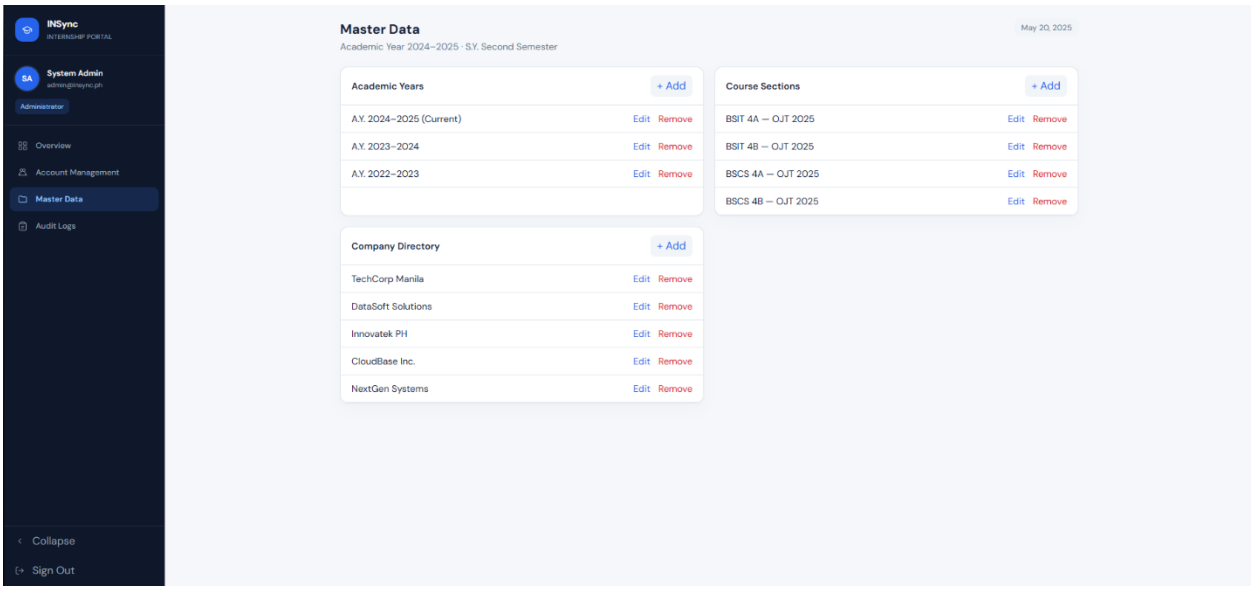

INSTRUCTOR ANNOUNCEMENTS – Okay naman na ako dito.

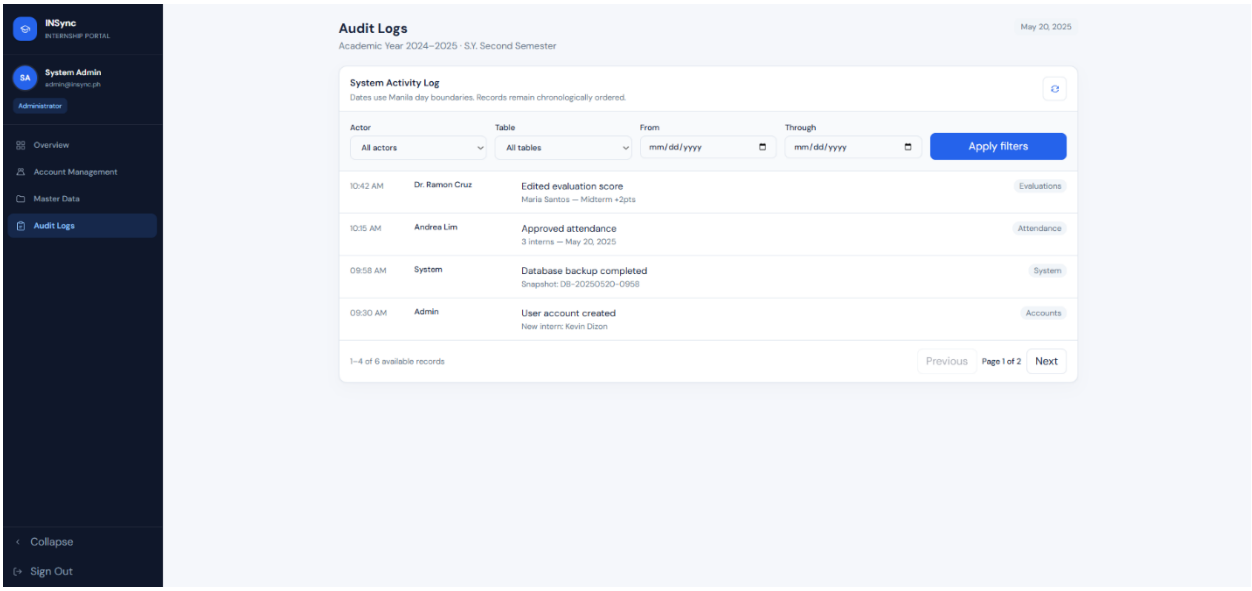

ADMIN OVERVIEW – diko alam kung may need pa ba palitan dito, diko masyado ano dito hahaha

ADMIN ACCOUNT MANAGEMENT – same dito diko alam.

ADMIN MASTER DATA – siguro polish lang natin layout neto.

ADMIN AUDIT LOGS – okay naman na siguro ito, pero plz pacheck pa rin!!

Thank you so muchhh!
